EAU JOY!
Inspired by the beauty of water, this refreshingly clean yet long-lasting floral uses sensual tuberose to temper the brighter, somewhat sharper notes of blackcurrant buds, petitgrain and bergamot. It's a real crowd pleaser.

Cartier Rivières de Cartier Allégresse EDT, Dhs425 for 100ml

SHELFIE LIFE

From the latest in retinol wizardry to scents that entice you to lean in for a good wrist-sniff, these are the new-season showstoppers you'll want to proudly display

STRIKE IT RICH
La Prairie's next-generation oil contains moisture-retaining lipids and a natural caviar-derived retinol to treat everything from fine lines to dehydration and dull, fatigued skin. Beauty sleep never felt so luxe.

La Prairie Skin Caviar Nighttime Oil, Dhs2,147 for 20ml

DANCE UP A STORM
Celine's Haute Parfumerie, comprising nine thrilling fragrances, has landed. Our favourite? Nightclubbing. Musky, smoky, with a dash of vanilla, it conjures up a cool Parisian nightclub and slow dancing with your nose buried in the nape of someone's neck. Definitely a perfume for night owls.

Celine Haute Parfumerie Nightclubbing EDP, Dhs990 for 100ml

ACID HOUSE PARTY
This serum means serious business. With a 20 per cent acid blend (10 per cent alpha hydroxy acids and 10 per cent polyhydroxy acids), it unleashes its resurfacing, dullness-fighting powers in the twilight hours.

Ole Henriksen Dewtopia 20% Acid Night Treatment, Dhs230 for 30ml

UNDER COVER
This next-to-natural concealer works just as well disguising spots and blurring pores as it does neutralising dark under-eye shadows. The shade range is vast (25 in total) and the texture elastic, ensuring it stays smooth without creasing or caking.

Anastasia Beverly Hills Magic Touch Concealer, Dhs135 for 12ml

LIFT OFF
Meet the serum that does all the heavy lifting for you: retinol alternative alfalfa extract helps improve firmness, while roucou seed reduces sebum production for a smooth canvas that plays nicely under make-up.

Chanel Le Lift Fluide, Dhs585 for 50ml

GIVE SOME LIP
Trust Byredo to give a '90s nude lip a modern edge. With its pearlescent sheen and purple-pink pigment, Damson Jam gives lips the just-bitten flush we wish we were born with.

Byredo Shimmering Lipsticks, Dhs206

MAKING A SPLASH
Like the tougher cousin of Huda's Legit Lashes Mascara, this waterproof version is applied over the top like a raincoat. It instantly holds up under the wettest conditions without compromising on volume or inky blackness.

Huda Beauty Legit Lashes Waterproof Topcoat, Dhs82

GOLDEN OPPORTUNITY
Gilded eyeshadow is having a moment, whether it's a bold slick over the lid or a dab in the inner corners teamed with winged liner. None is more light reflecting than this pot of gold.

CTZN Cosmetics CTZN Gold, Dhs116
