

FELINE FLICK

This is an undisputed classic but Claudia keeps hers modern with a high short sharp flick that lifts the eye. Use Stay All Day Liquid Eyeliner in Carbon Black, £13, Stila, to draw dots along the upper lash line, marking the end of the flick with a dot about 1cm from the eye's outer corner towards the temple. Then join the dots together and check for symmetry, correcting any mistakes with a cotton bud dipped in make-up remover. Pull Fat Brush Mascara, £15, Eyeko, through the lashes upwards and outwards to emphasise the cat-eye look and finish with an icy pink lip like 'Thank You Wendy' lipstick (part of the 'Let's Go' Lip Set, £15, Claudia).

Throughout Claudia is wearing Light Wonder Foundation, £32, Charlotte Tilbury; Ultimate Wear Long lasting Concealer, £7, Autograph at M&S; Shine on Face and Body Illuminator, £12.50, Claudia; Bronzing Powder in Medium, £28.50, Bobbi Brown
