

A GLINT OF THINGS TO COME

If you aren't quite ready to commit to a metallic eye, channel the mood with glowing skin. For this level of radiance, opt for brightening serums and liquid illuminators. 'Add a velvet nude lip for contrast,' says Gallimore, who used Dior's Rouge Dior Limited Edition in 833 Cinnamon Kiss. 'The shade is both soft and subversive.'

CHROME FINISH

'Dip a damp fan brush into silver powder and stroke the chrome colour over your lids, letting the bristles splay,' says Gallimore. 'Be instinctive – this isn't about precise placement.' Finish with a prismatic lipstick that glimmers with holographic hues as you move, such as Dior's Rouge Dior in 297 Glazed Violet. ▸
